Proof of age may be requested from any individual at any time and those unable to comply will be asked to vacate.

Pets

Many of the homes will not allow pets. It is essential for health reasons (i.e. allergies) that this is complied with. Should it be discovered that there is a breach of this condition in any property that prohibits pets then management reserve the right to evict the tenant (with no refunds) and the tenant will be required to pay for the fumigation and cleaning of the home to return it to a "pet free" status.

In those homes that do allow pets it is the tenants responsibility to dispose of all faeces at the time of

vacating the property. Should we find animal hair or odour inside the premise at the time of inspecting the home the tenant will be liable for any costs associated in remedial work required. The tenant is also liable for any damage caused by pets in the property during their stay.

Please note that where we state pets are welcome in a property that it does not necessarily mean the property has a fully fenced section.

Smoking

Smoking is prohibited in all of our Holiday Homes. This includes decks and patios.

Telephones

Telephones are not available in the homes.

Damage

The tenant is liable for damages to any property or content of the property incurred during their stay. Please inspect the property and report any damage immediately to the office upon arrival. Should tenants lose any house keys then the tenant will be held responsible for the replacement costs of the keys and may also be held liable for the costs of replacing locks if deemed necessary. Tenants stay at their own risk and Nelson Bays Holiday Homes will not be held liable for damage or injury caused to tenants or personal property when circumstances arise outside of our control. i.e nature and weather.

Gatherings & Noise

We have a zero tolerance policy in regard to noise. Noisy parties or gatherings are not permitted. 21st birthday parties, Hen and Stag nights are not permitted. We ask that you respect the neighbours. If complaints are received and management is required to attend the incident a \$100 call out fee may be charged and the tenant risks being evicted from the property.

Faults

We do not guarantee that the products and services that are listed in any of the homes will be continuous or fault free. NBHH will endeavour to repair/replace any faulty item but given the limited services available in the village this may not always be immediately possible. Events beyond our control, such as poor weather, power cuts or unforeseen electronic breakdowns, do not give the tenant the automatic entitlement to a discount, unless such event has prevented the tenant from being able to safely occupy the property altogether and NBHH are unable to relocate the tenant to a property of equal size and standard.
